

Application & Acceptance Process

We are currently enrolling for the 2018-19 school year, Kindergarten through 9th Grade.
Limited spaces are available in each grade.

Please review the application process below.

1. Schedule a campus tour and initial meeting with our executive director. You can call the school at 828-515-4015 or e-mail dmonstrola@canterburyclassicalschool.com. We would be honored to share our story with you and answer any questions as you seek to determine the best school for your child.
2. Fill out an application for admission and mail it with a \$50 application fee, per child. You will receive an application during the tour or you can download it in our forms section (canterburyclassicalschool.com/admissions). Upon final acceptance, your application fee is credited towards the curriculum fee.
3. Your family will be scheduled for an interview to discuss the final details of enrolling at Canterbury Classical School. This allows the executive director to further get to know you and allows you to ask any additional questions to determine if our school is a good fit for your children.

You will also have the opportunity to review the student/parent handbook and uniform guide. If needed, potential students will also review incoming academic standards with a staff member to ensure accurate grade level placement.

4. You will receive a letter of acceptance via e-mail which will include the tuition agreement. This agreement and non-refundable full curriculum fee must be returned to finalize your classroom spot.
5. Your family will receive a welcome packet in the mail with all the information you need to have a successful start at Canterbury Classical School.

We look forward to meeting your family!
